**Throw a children's party
that will engage every
child, making it a party to
celebrate with the support
of Boogie Mites
experienced Party Team**

Suitable for 1-5 yrs, our parties are packed full of great musical entertainment and activities that capture children's imaginations.

Complete party entertainment for your child, your nursery or school. In addition, we provide entertainment for family fun days for corporate organisations, local authorities and national charities.

More Choice:

Let us know your child's passion or theme of the event and will organise the right entertainment to captivate princesses, pirates, fairies, explorers or discover the fun of books, nursery rhymes or maths!

"Thank you for such a successful party. The children loved the music from the 2yrs olds, to the 7yrs olds to the 60 plus year olds!" *Mrs Lindsay*
