

Special Event Testimonials

Wonderful, all the children and staff were amazed! Activities linked into each other. We would love to have Boogie Mites again. Thank you so much" *Jackie Reid, Manager, Brandlehow Activity Centre, Wandsworth, London.*

Boogie Mites workshops are very exciting. The children enjoy themselves by playing with the different types of toys. The songs are fantastic, children love to sing along, drum, tap and shake with the songs. *Alton Activity Centre, Wandsworth, London.*

The activity day that Boogie Mites put on for us consisted of a two-hour session in the morning and repeated in the afternoon. Fifteen plus families attended each session with children aged 1 to 10. The feedback from parents was very good and the participation by parents and children showed how successfully the Boogie Mite team were at involving everyone. The children really enjoyed making and using their own instruments." *Angie Potter, QTI, Little Waves CC Gosport.*
